

DISASTER WINDSHIELD TAG

It is recommended you visit the Ft. Pierce Police Department located at 920 S. US # 1 for a Disaster Windshield tag. You must have a valid photo I.D. along with proof of address (i.e. your utility bill).

This should be placed in your vehicle in the event of a hurricane or other emergency. You will still be able to access the Island without the tag however will have to show your Driver's License to the authorities.
